

# ENVIRONMENTAL POLICY STATEMENT

Issue Date: 07 / 01 / 2025

Review Date: 07 / 01 / 2026

Approved by: Nancy Mcwilliam – Company Director

## 1. Our Commitment

M & F Roofing NW Ltd recognises the importance of protecting the environment and are committed to minimizing the impact of its operations on the environment wherever possible. We aim to comply with all relevant environmental legislation and continually improve our environmental performance.

## 2. Our Objectives

To achieve our commitment, we will:

- Reduce waste and promote recycling across all our sites and offices.
- Avoid pollution by using materials and equipment that minimise environmental harm.
- Source materials responsibly, preferring local and sustainable suppliers.
- Use vehicles and transport efficiently to minimise fuel consumption and emissions.
- Comply with all environmental laws and regulations applicable to roofing work.
- Promote awareness among staff through training and regular communication.
- Dispose of hazardous materials (e.g., asbestos, lead flashing) in line with legal requirements.

## 3. Key Areas of Focus

### Waste Management

- Segregate and dispose of waste responsibly, using licensed carriers.
- Reuse or recycle materials such as tiles, lead, timber and packaging where possible.

## Energy Use

- Reduce energy consumption through efficient site planning and use of tools.
- Maintain company vehicles to reduce emissions.

## Materials

- Use low-VOC adhesives, sealants, and coatings.
- Avoid over-ordering materials to reduce surplus and packaging waste.

## Noise & Dust

- Minimise noise and dust using appropriate methods (e.g., wet cutting, noise barriers).
- Respect the local environment and surrounding community on every project.

## 4. Responsibilities

- The Company Director has overall responsibility for ensuring this policy is implemented.
- All employees and contractors must comply with environmental procedures and report any concerns.

## 5. Review and Monitoring

This policy will be reviewed annually or in response to significant changes in legislation, operations, or project scope. Improvements and feedback will be incorporated into our ongoing environmental strategy.
